DETAILED ACTION

Oath/Declaration

The objection to the oath/declaration, outlined in the previous Office Action, has been overcome by applicant's submission of an acceptable oath/declaration.

Claim Objections Withdrawn

The objection to claims 5 and 16, outlined in the previous Office Action (where the objection to claim 16 was inadvertently listed as a second objection to claim 5), has been overcome by applicant's amendment. The amendment corrects the claim texts as appropriate.

Allowable Subject Matter

Claims 1-16 are allowed for reasons of record.

(The examiner notes for clarity of the record that claim 15 should have been included in the list of allowed claims in the previous Office Action as applicant correctly points out in the amendment.)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
